FACSIMILE MESSAGE

To:

Carrol & Graf,

New York,
U.S.A.

FAX: 001 201 332 1655

After making several telephone calls to yourselves without a successful reply, would you please be kind enough to reply to this facsimile message.

I would like to purchase a copy of each of the following:

Case Open (1994) - Harold Weisberg and
Never Again (1995) - Harold Weisberg.

Both these books I understand have been published by yourselves and are not available to purchase in this country.

Please inform me the cost involved and method of payment, including postage and packing.

I would be grateful for an early reply.

My facsimile number is (01384 - 379849) but I do not know the Country code number from America.

Regards,

GEORGE HUTCHINSON.
